**TRAINING MONDAYS & THURSDAYS
4.00PM - 5.00PM AT ALBERT PARK**

From the President,

Many thanks to all parent helpers for their wonderful help in making the nights run so smoothly and a 8.30pm finish. Many hands make light work, so they say, and this has been proven in all Friday nights to date.

No need for any questions or queries to be unanswered. Please ask any committee member and they will endeavour to answer your question.

The Positive Feed Back for the club has been overwhelming, so a big thank you to all parents and helpers for their support. The Club is notably going forward in leaps and bounds.

CANTEEN NEWS.....

We had our first night back in our newly renovated canteen last Friday night, and it looks Great! & certainly much better to work in.

Our menu has been changed to include vegetarian items as well. Burgers & wraps will be back on the menu now that we have our cooking facilities again. Thank you to you all for your support & patience whilst renovations took place. It was unfortunate that they took so long, but we are operational again & that's the main thing 😊

Records on Friday Night Competition

No Records will be awarded if not adjudicated by a qualified Official for all field events. Qualified Officials are Shirley, Leslie and Maree. Please leave spike with tape in ground for qualified official to adjudicate.

No Parents are to measure own child's field events ie. Throws and Jumps.

Remember Training is Monday & Thursdays at 4pm to 5pm.
